Dear Clinton Town Board,

I am writing to express my strong concerns regarding the proposed Hospitality Overlay District. This draft law leaves our quiet rural neighborhoods entirely vulnerable to creeping commercial intensity, noise, and traffic.

Omega is an institution, that in my opinion, has been a good neighbor. It has been quiet and responsible to the community and the environment. As an institution that has existed for over 40 years it should not be grouped with the new proposed development projects. Omega should be grandfathered in.

Please reconsider this Hospitality Overlay District and focus on straightforward zoning that actually serves and protects the residents of Clinton.

Sincerely,
